Immigration Law Research

Home Page View

The screenshot shows the AILALink Home Page interface. At the top, the AILALink logo is on the left, followed by a user account dropdown (Account: Sarah Loor), navigation tabs (Documents, Bookmarks, Notes, Folders, Search, Fastcase Premium Search), and a Sign Out link. Below the header, the page is divided into three main sections: Contents, Search, and Announcements.

Contents: A vertical sidebar on the left lists various resources: Statutes and Regs, Court and Admin Decisions, Memos, Cables, and Minutes, Reports, Other Primary Sources, Government Manuals, Forms, AILA Books, AILA Periodicals, Internet Resources, and AILALink Help and Training. At the bottom of this sidebar is a "search fastcase Premium" button.

Search: The central section features two large search buttons: "ailalink" and "fastcase Premium". Below these buttons, a text block explains the search methods and the relationship between AILALink and Fastcase Premium. It states that AILALink offers various search methods and that Fastcase Premium is a separate database that must be searched separately, with results that cannot be combined.

What is Fastcase Premium?: A callout box on the right explains that AILALink subscribers are automatically upgraded to Fastcase Premium, which is a separate database for case research and more. It comes bundled with every AILALink subscription. Arrows point from this callout to the "Search" and "Fastcase Premium Search" tabs in the header.

Announcements: The bottom section contains icons for "Live Training", "Video Training", and "User Guide".

Annotations: Orange arrows highlight key features: one points to the "search fastcase Premium" button in the Contents sidebar; another points to the "ailalink" search button; a third points to the "fastcase Premium" search button; and two others point from the "What is Fastcase Premium?" callout to the "Search" and "Fastcase Premium Search" tabs in the header.

Advanced Search

Search by single words, multiple words, or exact phrases. By default, search results are displayed by hierarchy (based upon their location in the left-hand Table of Contents); you can also sort and display search results based on relevancy. In addition, you can limit your search to a subset of AILALink by selecting specific sections of content, using the Filter Search menu to the left. If you're searching for INA or CFR provisions, use the INA/CFR search tab. If you're looking for a district court or state court case, or decisions of the AAO, OCAHO, or DOL ARB/ALJ, use [Fastcase Premium](#). Additional Supreme Court, circuit court, and BALCA decisions are also available through Fastcase Premium.

Search

Search for Documents

Containing **all** these words...

...and **not** containing any of these words

...and containing **one or more** of these words

...and containing this **exact phrase**

...and containing these words within **20 words** of each other

Advanced Search is the default page where you can use keywords to formulate your search.

Choose other types of searches, too: Boolean, INA/CFR, or Find a Case. You will find any searches that you have saved by clicking on the Saved Searches tab.
